

## GEN. CHAFFEE WILL LEAD GRAND MARCH

All Arrangements Completed for  
the Old Guard Ball at the Met-  
ropolitan Opera-House Next  
Tuesday Night.

All preparations for the Old Guard ball at the Metropolitan Opera-House next Tuesday night have now been completed and everything points to its being the most brilliant of the many social entertainments given by this famous military organization. A most effective scheme of decoration for the big ballroom has been devised, in which of course, the Stars and Stripes will predominate. Major-Gen. Adna R. Chaffee, Commander of the United States Army, will be present with his entire staff, and Gen. Chaffee will himself lead the grand march which will open the ball.

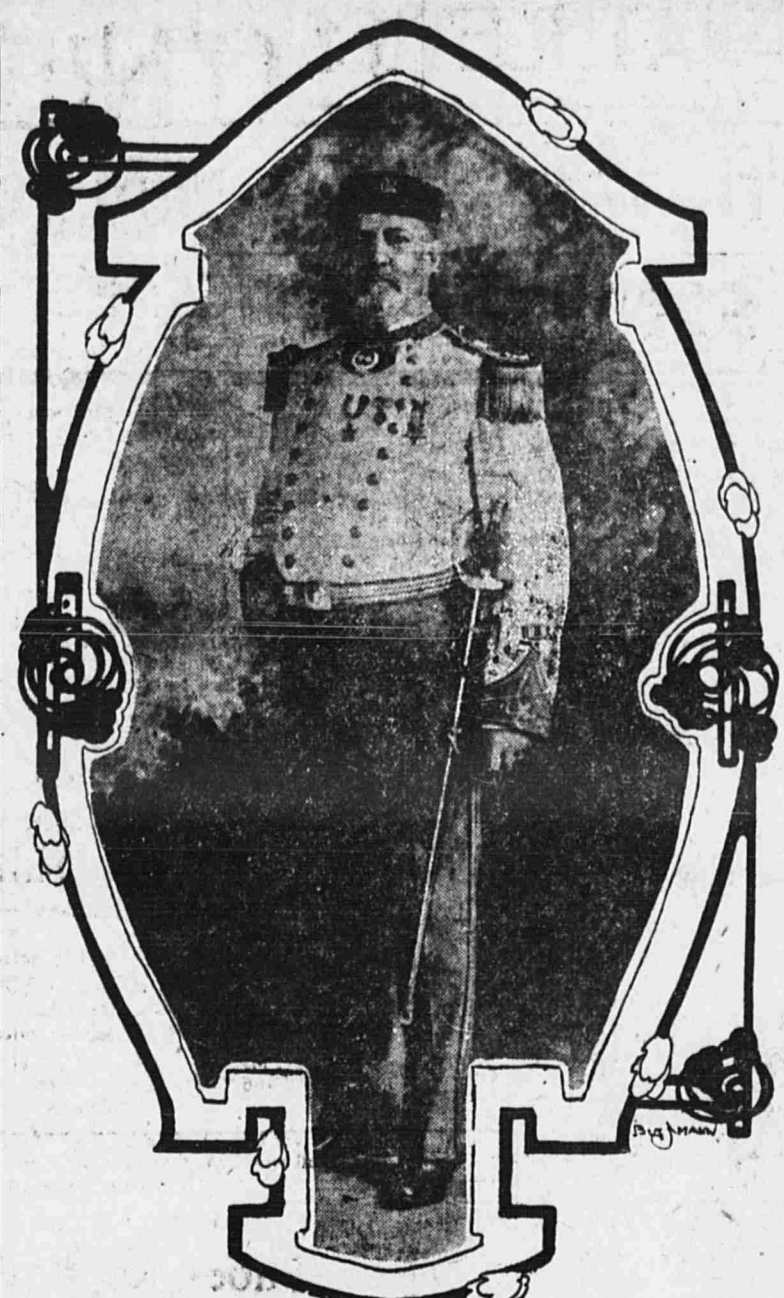

There will be scores of other distinguished guests from military and private life present. Gen. Corbin, commanding the Department of the East, and his staff, from Governor's Island will be there; the commandant of the Brooklyn Navy-Yard and members of his staff, and among the other guests will be, Gov. Odell and staff, Mayor McClellan, whose military title is Colonel; Gov. Franklin Murphy, of New Jersey, and staff; the Charleston Blues, City Troop of Philadelphia, the Newport Artillery Company and other military organizations. All of these military guests will wear their full dress uniforms and they will surely present a brilliant appearance.

### BOY JAIL BREAKERS BALKED.

Hole They Had Dug in Prison Wall  
Discovered in Time.

The jailers at the Queens County Prison in Long Island City found a hole in the high wall of the juvenile ward just in time to prevent the escape of three boys. The boys are Leon Graham, sixteen years old, held on a

serious charge. Charles Willmet, Adams, held on suspicion. A window in Graham's cell was broken, and until it could be repaired he was given a blanket to keep out the cold. With this as a shield he and the other boys began to dig through the

wall. An inspector who came to measure the window for a new glass found a hole large enough for a man's body. It was almost through the wall. In the cell was a piece of lead pipe and a long piece of electric light wire. The boys had planned to lower themselves by the wire.

## REGAL PRICE NEVER CHANGES

—\$3.50 the year round.

That's enough to pay for the best shoes that can be built.

It's a whole lot too much to pay for bargain-counter shoes—because they are never the best of their kind, by a long shot.

There's always an excuse for those marked-down "bargains." They are the unsalable styles, the "extremes," the experiments, the off-sizes, the left-overs of all sorts, saved up since last winter, and were never worth a cent more than \$3 in the first place.

While other dealers are working off their dead stock, there's a constant stream of fresh, new styles coming direct to the Regal stores from the Regal factory.

Regal styles never get old.

You can't find such a thing as a left-over Regal. Six-dollar shoes for \$3.50 the year round in Regal stores.

## Men's One Dollar Colored SHIRTS at 35c.

Or, 3 for \$1.00. Stiff Bosom and Negligees.

**F**OR everyday wear no shirt is so popular as the colored one. If it is a new and pretty pattern, it is just as correct as an all-white.

For reasons best known to ourselves, we are in position to place on sale To-morrow a lot of Six Thousand Colored Shirts that are sold the world over at a Dollar. They're the generally well-known "Sanspareil" and "Griffon" brands, which need no introduction to their wearers. Madras and Percal, stiff bosoms and separate cuffs.

With them are several hundred woven Madras Negligee Shirts in light and dark effects; stripes and figures, made with separate cuffs to match. These are a seventy-five cent quality.

There are not so many patterns in the Stiff Bosom styles as there are in the Negligees, but enough of each so that you may choose a plenty. It is one of the best shirt bargains we've ever offered, and ought to result in a hasty clearance this Saturday.

All at 35c., or Three for a Dollar this Saturday. On sale special tables, Main Floor.

## Six Thousand 12½c. LINEN COLLARS at 5c.

WE sold for years the famous "Barker" brand of Linen Collars for men at a Shilling; and they have given universal satisfaction. But a business deal made with the Cluett people for 1904 permits us to transfer the "Barker" styles to their making, and to close out all the collars marked "Barker" at FIVE CENTS EACH. Think of it! And better collars for 12½c. have never been made.

Solid linen, made from round threads; which launder so much better and last so much longer than flat threads.

Styles include the new popular Wings as well as the Straight Standing; Pokes, High Bands and Low Turndowns. All the lines are broken as well as the sizes; but if you don't find the size you want in one style you undoubtedly will in another.

Ready to-morrow morning. And the day ought to see their finish in the Adams store. On sale special tables, Main Floor.
